# WHO AM I?

Colour in the picture of your animal ambassador on the front of your workbook

One animal can have many kinds of names - a species name, an indigenous name, and a personal name.

Trace the species name of your animal

*Shingleback*

*Lizard*

Trace their indigenous name

*Waddaduri*

This means Stumpy  
Lizard in Wiradjuri  
language from NSW

Trace their personal name

*Gramps*

In the video, what were the 2 things that Gramps the Shingleback Lizard really likes?

You can draw or write them here.
