NIGHT TOUR

At night, Moonlit Sanctuary comes alive with its world-famous night tours. Hand-held lanterns guide the way through the park as friendly free-roaming kangaroos hop over to be hand fed and super-cute gliders take nectar from visitors' hands. See potoroos, wallabies, night birds, quolls, Tasmanian devils and other wildlife in their natural nocturnal environment.

BOOKINGS REQUIRED

Book a group or private tour. Private tours require 48 hours notice.

ABOUT US

Moonlit Sanctuary is inspired by the work of British naturalist Gerald Durrell and is dedicated to the conservation of endangered species. We are located within the Western Port Biosphere Reserve, and present many of the unique animals that have been found inside the reserve.

KANGAROO AND WALLABY FEEDING

Hand feed our kangaroos and wallabies when you purchase a small container of specially made food.

KEEPER PRESENTATIONS AND WILDLIFE SHOWS

Don't miss these entertaining and informative presentations. See Australian animals on stage in our Show Arena and learn about their natural behaviours. Check the timetable on our website.

CAFÉ AND GIFT SHOP

Our café is open every day serving meals, snacks and drinks. Our gift shop has a wide range of Aussie souvenirs.

KEEPER FOR A DAY

Work beside a keeper for a day, learning the many interesting aspects of their job.

CHILDREN'S BIRTHDAY PARTIES

Family fun with our native wildlife. Pre-book our undercover area and arrange your own celebration.
