the best way to see Aussie animals

Koala Encounters

Meet one of our friendly koalas

Get up close to these adorable Aussie icons in Moonlit Sanctuary's Koala Encounters.

One of our knowledgeable koala keepers will introduce you and answer all your questions as you pet and cuddle up to one of our very friendly koalas.

You can snap as many photos as you like with your new koala friend and come away with the perfect selfie of your koala encounter.

This encounter takes place inside a small private enclosure and allows time for you to stroke and cuddle up to the koala and take your own photos. *Please note that you do not hold the koala in this encounter.*

To take part visitors must be able to understand and follow Keeper safety instructions (for guest and animal welfare).

Children aged 4 years and above must have a ticket. One child under 4 years can take part with one paying adult.

Our Koala Encounters are held at 10:30am, 12:30pm and 3:00pm daily.

\$25 per person
