

Moonlit Sanctuary

the best way to see Aussie animals

Threatened Species Tours

Get up close to some of Australia's most endangered species

Go behind-the-scenes and get up close to some of Australia's most endangered species. Learn how you can help with their survival and about the conservation programs Moonlit Sanctuary is involved with.

On this hour-long tour, you can choose three species to encounter from seven endangered species that we care for.

You can feed a Regent Honeyeater, have a hand-reared Orange-bellied Parrot land on your hand, get up close and personal with a Barking Owl, give a Spot-tailed Quoll an afternoon snack or have a fluffy Squirrel Glider enjoy some nectar from your hand.

Each tour has a maximum of 2 people to ensure a special experience.
The tour is available every day at 1:30pm.

1 April 2023 - 31 March 2024 Rates

\$100 for 1 person
\$180 for 2 people

Bookings are essential

Choose three animals to get up close to from these endangered species:
